Feedback & Discussion

The **Rhode Island Student Exploration (RISE) tool** is intended for middle and high school students to explore academic and career opportunities available in Rhode Island.

Students can explore different career and technical education programs, pathway endorsements, college credit opportunities in high school, and college majors.

The RISE tool is both for **exploration** and **preparation**. Students who want to explore their options and students who know their interests and want to prepare can take advantage of the RISE tool.

Our hope is that the RISE tool will make it easier for students to understand the opportunities available to them in Rhode Island and **find the right path for them, all in one place.**

# RISE

The logo for RISE features the word "RISE" in a bold, dark blue, sans-serif font. The letter "I" is replaced by a magnifying glass icon. The handle of the magnifying glass is the stem of the "I", and the circular lens is positioned above the "I". Inside the lens is a white silhouette of the state of Rhode Island.

# FUTURE IMPROVEMENTS TO THE RISE TOOL

---

1

## Data limitations

- Informative vs. action based
- Unified Enrollment Platform should solve this in the future

2

## Include more information on:

- College Transfers
- Geographic Map

3

## Translations

- RIDE website will be translated, but the tool itself could be translated in the future.

4

## Feedback Form

- Incorporate suggestions from linked google feedback form
